MEDICINAL.

STRONG FACTS!

A great many people are asking what particular troubles BROWN'S IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1882.
My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all. I cannot say too much in praise of it. Mrs. Mary E. Bostwick, 173 Prentiss St.

Kidney Disease Cured.

Christiansburg, Va., 1882.
Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, and I was cured completely. A child of mine, recovering from scarlet fever, had no appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results. J. KYLE MONTAGUE.

Heart Disease.

Vine St., Harrisburg, Pa., Dec. 2, 1881.
After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief. Mrs. Jennie Hess.

For the peculiar troubles to which ladies are subject, BROWN'S IRON BITTERS is invaluable. Try it.

Be sure and get the Genuine.

PARKER'S HAIR BALM.
It is a dressing for the hair, and is made of the most valuable oils, and is superior to any other hair dressing. It cures itching humors, and keeps the hair soft and healthy. It is sold by all druggists and dealers in hair goods.
PARKER'S GINGER TONIC.
A Superlative Health and Strength Restorer.
If you are a mechanic or farmer, worn out with overwork, or a mother run down by family or household duties, try Parker's Ginger Tonic.
If you are a lawyer, minister or business man, exhausted by mental strain or anxious cares, do not take any more stimulants, but use Parker's Ginger Tonic. It cures indigestion, loss of appetite, and all the troubles that attend a weak and nervous system. It is the best and surest cure ever used.
If you are wasting away from age, dissipation or any disease or weakness and require a stimulant take Parker's Tonic at once. It will invigorate and build you up from the first dose but will never intoxicate. It has saved hundreds of lives; it may save yours.
CAUTION--Beware of cheap imitations. Parker's Ginger Tonic is composed of the best medicinal agents in the world, and is entirely different from preparations of ginger alone. Send for circular to Hise & Co., N. Y., 206 & 210 N. 5th St., to dealers in drugs.

DEFERRED ITEMS.

Congress will probably adjourn this week. The House is waiting for the Senate.

The deaths in Baltimore last week aggregated 192 and the births reported were 106.

A severe drought prevails in Jamaica, and the coffee and pimento crops are suffering very much.

The movement of wheat from the West is active, and there is a "boom" in foreign shipments.

A malignant type of yellow fever is prevalent at Matamoros, Mexico, and is rapidly spreading.

The Fifth Maryland Regiment returned to Baltimore on Saturday from its summer encampment of ten days at Cape May.

John C. Craft, cashier of the Exchange Bank of Franklin, Pa., was on Saturday reported to be a defaulter for from \$50,000 to \$100,000. Oil speculations are the cause assigned.

In Atlanta, Ga., on Friday, there was a fight between Mr. Junius L. Brown, son of Senator Brown, and Mr. G. L. Norman, architect, in which the former used a pistol and the latter a cane. Both escaped without injury.

Three young men who had been on a spree sat down Sunday on the track of the Buffalo and Southwestern Railroad, near Jamestown, N. Y. An excursion train cut one in two, fatally injured another and badly hurt the third.

The number of deaths in New York last week was 1,217, the largest weekly aggregate for ten years. One-third of the number were infants carried off by cholera infantum, due to the heat. There were 31 cases of sunstroke, of which 16 proved fatal.

W. Browne, who eloped from Jersey City with his wife's sister and was caught at New York, has made up with his wife, given the sister back her \$2,500, with which they ran away, and on Saturday went back to his home, while the sister went to Boston to live with another sister.

ELECTION OF OFFICERS.--At a regular meeting of Providence Lodge, No. 3, I. O. G. T., of Fairfax, held last Friday night the following officers were elected to serve the ensuing quarter: W. C. T. G. Pat Berkey; W. V. T. Miss Ida Jacobs, Secretary; D. W. Shallen; F. S. A. E. H. Carer; Treasurer, Miss L. E. Ellis; Chaplain, S. P. Runsey; Marshal, F. Pat Berkey; Guard, W. E. Graham; Sentinel, G. W. Gaines; R. H. S. Miss Mary Sagar; J. H. S. Miss Adelle Ellis; Asst. Sec., Miss Fannie Caulfield; D. M., Miss Emma Sagar.

WHEAT AND CORN.--It is seldom the case that the prices of wheat and corn nearly equal each other. Such is the case now, and in some sections of the State, by reason of the scarcity of corn and the abundance of wheat, the price of the former is considerably in excess of the latter.--Fredericksburg Star.

The bronze statue of Washington, for Fairmount Park, Philadelphia, which is now being executed at Berlin by Sievers, the German sculptor, will cost, with its accessories, \$140,000. The monument will be of colossal dimensions, its substructure being of granite, with two great terraces. The sides of the lower terrace are to be covered with bronze reliefs, in which groups of animals and human figures are placed larger than life. The figures are to be typical American beasts, and will be placed in prominent positions. In their midst will be a representation of the Indian warrior, an Indian squaw, a river god and a river goddess. On the upper terrace the pedestal will stand. The figure of a horse and rider, which it will support, will be twice life size.

THE WARRINGTON INDEX says: "The Richmond State, commenting on our partiality for General Hutton, intimates that he is nothing loth to run for Congress. We do not speak by authority but from our estimate of the self-abnegation and sound judgment of the man, we may say he does not indulge a single aspiration and would delight to see Mr. Harbort receive the unanimous nomination of the convention."

GEN. GRANT has written a letter to Chairman Williams, of the House Committee on Foreign Affairs, relative to the Japanese indemnity fund. He says he is satisfied that the money should never have been collected, but having been collected, it should now be refunded.

WITH one exception, no Congress since the war has remained in continual session for so long a time as the present. The exception was the first session of the forty-fourth Congress, commencing in December, 1875, which lasted until late in August of 1876.

jyl2-1m HENRY HERBER.

Warner's Safe Kidney and Liver Cure is a disease in an effect, not a cause. Its origin is within: its manifestations without. Hence, to cure the disease the cause must be removed, and in no other way can a cure ever be effected. WARNER'S SAFE KIDNEY AND LIVER CURE is established on just this principle. It realizes that

of all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly upon these great organs, both as a food and restorer, and by placing them in a healthy condition, drive disease and pain from the system. For the innumerable troubles caused by unhealthy Kidneys, Liver and Urinary Organs, for the distressing Disorders of Women; for Malaria, and for physical derangements generally, this great remedy has no equal. Beware of impostors, imitations and concoctions said to be just as good. For Diabetes, ask for WARNER'S SAFE KIDNEY AND LIVER CURE. For sale by all dealers.
